

## 5'S A POINT

Vary size of field to suit learning outcomes.

- 2 teams (Ideal 4-7 players per each team)
- Score a point by achieving 5 effective kicks and marks in a row.
- Once a 'point' is scored - the ball is placed on the ground and the other team gains possession
- This game sense works best without tackling or bumping. However - swotting (slapping the balls out of the hands of the opponents) and spoiling works well.
- Kicking only.
- If the ball hits the ground, it is a turnover.
- If the ball is caught by the opposition while in the air, they remain in possession.
- Depending on the amount of players per team, players cannot kick back to the player their received it from
